

Sarvesh Mehta

Web Developer | Python | Flask | Vue.js Developer

Phone: **9685322873**

Address : **206 Bakul Nivas, IIIT Hyderabad**

Website: <https://researchweb.iiit.ac.in/~sarvesh.mehta>

Email: sarvesh211999@gmail.com

Github: <https://github.com/sarvesh211999>

*PROFESSIONAL PROFILE

As a open source contributor I have a quick learning capability and understand the codebase in short period of time that help me to get started project easily .

I have made projects including various Python, JavaScript Frameworks and different APIs (BigCommerce API, Twitter API).

Also made a Quiz Portal using Flask + SQLite .

I am also interested in Poster Designing . I have made a lot of posters for college events and hackathon.

Participated in Poster Designing Competition and got awarded.

I am currently learning PyTorch to build a Image Classifier and Image Recognition module .
